

Edge 8000

Edge 8000 24 button phone

The IP telephone family for MBX IP[®], SBX IP[®] and XTS IP[®] telephony systems represents a new design with a sleek modern look to compliment any office environment.

Designed for ease of use as well as style, the IP telephone simplifies user operations with easy to read LCD displays. Both models offer a fast switching speakerphone for handsfree operation. A headset is provided for convenience. Message wait indicators provide 'at-a-glance' indication of messages. Both models offer 3 context sensitive soft keys and a navigation key to provide interactive call handling.
